

ReCil - Reclaiming Christ in Life

is all about faith and spirituality. It's for Young Adults interested in talking about the way God moves or doesn't move in their lives.

Get Naked

ReCil is known for "Naked" Spirituality—bearing your soul and reshaping your spirit in an open "sanctuary" where Young Adults experience:

- Faith Formation
- Spiritual Development
- Catholicism 101: Learning It to Live It - Daily
- Open Forums where Young Adults speak freely about life

Our journey to deeper faith depends on our willingness to be open and truthful, first to ourselves and then to God. Reclaiming Christ in Life casts a light of hope in the darkness of Chaos.

Breaking Free...

Our Breaking Free events are designed to help Young Adults "break free" from relationships and behaviors that hinder their growth and contradict who they really want to be.

Days of Reflection, Meditation, Eucharistic Adoration and Game Nights are just a few of our events.
